SOMOS TODOS ALQUIMISTAS !

Temos o poder de transformar o Chumbo em Ouro! Temos o compromisso de construir trajetórias criativas com preocupações éticas e sociais, desenvolvendo o universo do pensamento crítico e defendendo dialogicamente as diversas perspetivas.

As 132 joias criadas/expostas evocam, a partir desta metáfora alquímica, uma caminhada de libertação. Neste desafio comum, sentimo-nos protagonistas da história dos nossos países, mundo. Em intercâmbio entre seis escolas - Bélgica, Espanha, França, Itália, Letónia e Portugal – vamos ao encontro das diferentes realidades, matérias e dimensões humanas inerentes ao Património natural e cultural nas suas múltiplas identidades!

WE ARE ALL ALCHEMISTS !

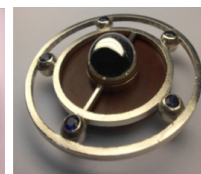

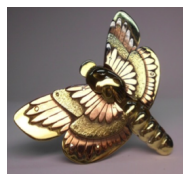

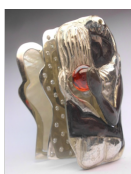

We have the power to turn Lead into Gold! We are committed to building creative trajectories with ethical and social concerns, developing the universe of critical thinking and dialogically defending the different perspectives.

The 132 jewels created/displayed evoke, based this alchemical metaphor, a journey of liberation. In this common challenge, we feel that we are protagonists in the history of our countries, the world.

In exchange between six schools - Belgium, Spain, France, Italy, Latvia and Portugal - we meet the different realities, subjects and human dimensions inherent to the natural and cultural heritage in its multiple identities!
